

# The Wonder Camp Kit

## 3 Mini Quests to Create Big Camping Memories In Just 15 Minutes

Perfect for tents, caravans, or any campsite.

🕒 Each quest takes 5-10 minutes.

♥ All you need is your senses... and each other.

👤 When completed you will go from Wonder Scout to become **real Wonder Agent!**

### ✔️ Quest 1: Nature Match-Up 🔍

*Mission:* Find 3 things in nature that remind you of *something from home*.

Something that feels like your favorite toy **or** your favorite food

Something the same color as your toothbrush **or** your favorite shoes

Something shaped like a spoon **or** shoe, **or** your pet's ear

*Family Moment:*

Show your matches to a parent.

Can they guess what "home item" you were matching?

### ✔️ Quest 2: Tiny Trail Adventure 🐾

*Mission:* Choose a 5-meter path near your tent.

Walk it like a sneaky animal. Look very closely.

Animal ideas:

🦊 Sneaky Fox 🐢 Slow Turtle 🦅 Flying Eagle 🐰 Jumping Rabbit

I walked my trail

My parent guessed what it was

Bonus: Collect a small "trail treasure" (non-living item) for your camp memory pocket.

### ✔️ Quest 3: Tent Peg Mystery 🎯

*Mission:* Use tent pegs, sticks, or objects to make a mystery shape on the ground.

I made a shape

My parent guessed what it was

We gave it a fun name (like "The Bug Portal")

💡 *Ideas:* an animal, a symbol, a camp creature, or a mystery tool from nature

## When all 3 quests are complete, gather your team.

Ask each person:

"What's one thing we wouldn't have noticed today if we hadn't done the quests?"
